## FAT CATTLE SHOW BIGGER THAN EVER

Over \$5,000 In Cash Prizes To Be Given At Exhibition In Louisville This Week

(By Associated Press)  
Louisville, Ky., Nov. 20.—The Fat and Feeding Cattle show and sale to be held at the Bourbon Stock yards, November 23 and 24, promises to be larger than ever before, according to reports received at headquarters here. Over 30 carloads of fat cattle in addition to the entries of the Junior Agricultural Clubs, and feeders will be included in this show and sale.

Total cash prizes amounting to \$5,125 with cups and medals are counted on to bring together the choicest selection of fat and feeding cattle from Kentucky, Tennessee, Mississippi, Alabama, and Georgia, the contest being limited to those five states. Of the cash prizes a large amount has been donated by members of the Louisville Live Stock Exchange. Competent judges have already been selected from the leading cattle men in the country.

There will be sixteen rings and fifty awards. The best carload of fat steers 1200 pounds and over will receive the top premium of \$500, for the carload under 1200 pounds \$400 for the best. In addition to the carloads there will be awards for the best five steers from carloads, best single steer from carloads over 1200 pounds, and best single steer from carload under 1200 pounds. The feeder awards are divided in two sections, carloads 1,000 pounds and over and carloads under 1,000 pounds.

One of the features of the show will be the Junior Agricultural Club Exhibit which will consist of twenty-five carloads of prize baby calves being fed by the boys and girls clubs and competition is keen for the liberal prizes to be awarded in this division. A large number of the boys have written the committee that they will attend the show and arrangements are being made to entertain them.

The prizes in the feeder division will bring together many choice feeding cattle, and stock men will have an opportunity to purchase their requirements while attending the show.

In connection with this show 25 Hereford, Angus, and Short-horn registered bulls from the leading herds in Kentucky will be offered.

With the large number of entries on hand and the keen interest that is being displayed in both the stockmen and the packing industry the show is an assured success. The judgment will take place on November 23 with the sale the following day.

## WETS MEETING IN ST. LOUIS

(By Associated Press)  
St. Louis, Nov. 20.—Steps to organize wet forces in every state to obtain modification of the Volstead law were discussed at a meeting here today of the national association opposed to the prohibition amendment. Predictions were made by delegates that the liquor question will in all probability be the principal issue in the 1924 campaign. Delegates denied that a third major political party, favoring amendment to the Volstead act, is planned. George S. Vest, secretary, said the association aimed to insert "wet" planks in both political party platforms and thereby give the organization the balance of power.

## GEORGIA HAS TOO MANY S'NATORS

(By Associated Press)  
Washington, Nov. 20.—Mrs. W. H. Felton, unemployed by what is going on around her, took the most direct method today to press upon Senate leaders the fact that she was the first woman senator, as the first woman senator would be through a fault of hers. When the Senate met she sent her hat and coat to the cloak room and took up her position on a sofa on the democratic side with the senatorial commission as senator from Georgia in her lap. Meanwhile Senate leaders are perplexed as to whether they will allow her to take the seat in view of the election of Walter F. Hardwick as her successor. Mrs. Felton indicated that she would present credentials when the opportunity was offered and then if not honored she would make a speech.

Winchester, Ky., Nov. 20.—Mrs. Nancy Renaker, widow of Leon Renaker, who was slain in his bed at his home here last July, today brought suit against a number of life insurance companies, for payment of the policy on the life of her husband.

Some of them had indemnity clauses providing for payment of double the face of the policy if Renaker was killed by accident or violence. The amount in controversy in the suits filed \$40,000. Five suits were filed against companies including the Intersouthern Life Insurance Company, two policies of \$2,000 each; Aetna Life Insurance Co., two policies of \$5,000 each; Metropolitan Life Insurance Company one policy of \$5,000 and the Equitable Life Assurance Co., two policies of \$1,000 each. ## NEWBERRY RESIGNS SEAT IN SENATE

Washington, Nov. 20.—Senator Thomas H. Newberry, of Michigan, whose right to a place in the senate has been a subject of long and bitter controversy, has submitted his resignation with a request that it become effective immediately.

In a letter to Governor Grossback, Mr. Newberry said he had been impelled to retire voluntarily because of the defeat of his republican colleague, Senator Townsend, in the election of November 7. The turn of events, he said, would make it futile for him to attempt to continue his public service since he continually would be hampered by partisan political persecution.

The resignation brings to an end a fight which already had made political history and which it appeared would be resumed early in the session of congress which begins Monday. Convicted in Michigan of a conspiracy to violate election laws, Senator Newberry appealed to the supreme court, which declared unconstitutional the statute under which he was convicted. The senate itself after a long investigation, finally confirmed his title to a seat by a margin of five votes. In the campaign just closed the case was an issue in many states.

## Newberry Successor Not Named By Governor

Detroit, Mich., Nov. 20.—Governor Grossback today refused to say who would be appointed to succeed Senator Newberry, who resigned last night. Several persons are mentioned, including Charles B. Warren, ambassador to Japan, and Mayor James Couzens.

## EASTERN LOSES TO TRANSY FRESHMEN

Again playing on a rain soaked field, Eastern Normal was defeated by the Transylvania Freshmen in Lexington Saturday on Thomas field by a score of 15 to 0. The sloppy going resulted in many fumbles and the play being only straight football.

The Freshies made their first score about five minutes after the opening of the game. They were unable to make their yards, so punted to Captain Stone who was tackled behind the goal line. The safety accounted for two of Transy's points. This was the extent of the scoring in the first quarter.

In the second quarter Transy scored two touchdowns. They were able to account for the first thru heavy penalties inflicted upon Eastern as Transy approached her goal line. Eastern's line held for three successive times under the shadows of the goal posts but Burns carried the ball over by inches on the fourth try. The forward pass was responsible for the second Transy touchdown. Adams carrying the ball over. Gividon made the extra point by a place kick.

Eastern was much the better team in the third quarter when she carried the ball for many good gains. Captain Stone was her stellar offensive player.

He carried the ball most for Eastern and peeled off good gains almost every time he got his hands on the ball. He and Moberly were the outstanding men for the locals. The last name intercepted a pass in the last quarter, stopping a Transy advance which had carried the ball to Eastern's 30 yard line. Coleman Covington, Eastern's right end, stopped many of the Transy plays by his fine defensive work. The line-ups:

Eastern: Wordle; Davis; Spencer; Carr; Hampton; Lewis; Covington; Stone; Holt; Long; Powell.  
Transy: Gividon; Walters; J. Morrison; Baker; Thompson; R. Morrison; Wyatt; Mathews; Burns; Adams; Hamlin.

## DILLARD HILL 2ND IN FUTURITY CHASE

Madison Fox Hounds Right In Front In Eig Meet In Ohio.

Washington C. H., Ohio, Nov. 18.—The 23rd annual meet and field trials of the National Fox Hunters' association closed Saturday with the announcement by the judges of the winners in the Futurity chase. In this event 91 dogs started, none over 22 months old. Following are the winners: First, Big Sister, owner M. Tunstall, Greensboro, Ala.; second, Star, owner Dillard Hill, College Hill, Ky.; third, Clifton, owner M. Brainerd, Hartford, Conn.; fourth, Sam, owner V. M. Woodford, Winchester, Ky.

W. K. Herrin, owner of White Rowdy, from Hunter's Rest Kennels, Wartrace, Tenn., winner in the all-age event, stated today he had refused 2,000 for the winner and would not accept \$5,000. His record since August shows he won first in a field of 109 dogs at Wartrace, Tenn., and in 125 of the National meet here, a total of 234. White Rowdy won the Kentucky Derby two years ago.

Judge A. G. Turnipseed, of West Union, Ohio, who has been in attendance at the national meet here this week, is one of the enthusiastic fox hunters of the state. Speaking of the endurance of the red fox and the fox-hound the Judge stated that a good red fox and a real fox-hound could start in a chase at Toledo at 1 o'clock in the morning and arrive in Cincinnati, a distance of 212 miles, for a 12 o'clock dinner, not stopping en route for food or drink. No other known animals could perform such a feat. No horse and his rider could stay with them a third of the way across the state.

It is conservatively estimated that the hound chasing a fox steps off 20 miles an hour, and they have been known to keep this up for two days' continuous performance. The fox takes as much delight in the chase as does the hound, and they rarely ever allow themselves to be captured.

The visiting fox-hunters were delighted with the meet, and unanimously voted to hold next year's trails here the second week of November.
